About Us

In 2005, Cottonfield Enterprises was established under which Royal Homeware was formed. Ever since we have strove to provide quality products for home and kitchen from our humble base in the bustling city of Johannesburg.

We are importers and wholesalers of homeware, kitchenware, glassware and are continuously working to increase our range of products even further so that we may have a space in your home too.

Royal Homeware is led by a team of experienced individuals and visionaries to ensure that our products are stylish and in trend yet affordable so that we leave that lasting impression on all our customers and build long lasting business relations which we take pride on.
